

Explore Jack-O-Lantern

Think about Jack-O-Lantern:

1. Can you list all the steps that were needed to make a jack-o-lantern?
2. What would happen if you skipped a step?
3. Which part seemed hardest? Easiest? Why?
4. What could you do with all those pumpkin seeds?
5. Do you think jack-o-lanterns are fun? Why or Why not?

Extensions:

1. Cut open a variety of other fruits and vegetables - what's inside? What's the same? What's different?
2. Make jack-o-lantern faces with crayons or markers. Make jack-o-lantern faces with construction paper, scissors, and glue.
3. Create jack-o-lantern masks with different expressions (you could use orange paper plates and craft sticks). What would each say if it could talk?
